Additional Notes: see source document
Source Document: SD-040/SD-044
35. **Ailment/Diagnosis:** **Prosthesis User**
Symptoms: Odor; Red Sores
Treatment Regiment: Cleanshield (Topical)
Result of Medication: **Positive**
Length of time to achieve result: 2 Weeks
Name/Patient Details: Rodney Roller
Additional Notes: “My name is **Rodney Roller** and I'm a below knee amputee and a surfer. As a surfer I'm always in and out of the water and I was having trouble with odor and red sores on my stump. I have surfed with Bill over the last five years and one day he recommended a product for my stump that his son, **Cameron Clapp** a tri- amputee was using with much success, Cleanshield. Well just after the second week as **Bill** explained the odor is gone and my stump feels silky smooth.”
